● Trouble Shooting

Symptoms	Please check below	Solutions
“xiu xiu” or “da da ” sound	It is attributed to the construction of the chair or from friction between the massage rollers and the leather cover.	Normal
Not operating	If plug has slipped out of power socket.	Connect plug
	If power has been switched off	Switch on
	If fuse broken	Replace fuse of same model
Abnormal playing of certain music	If music format matches MP3.	Replace music format
Double sound occurs when select buttons	If flash drive be connected well	Reconnect flash drive
	flash drive has been installing	Select buttons after 5-10 Seconds
	Is there any MP3 format music inside flash drive ?	Check it by computer
Soundless of headphone	If headphone is still in headphone connector	Pull out headphone and reconnect it
	If it is the lowest volume or turns off volume	Turn up volume
Over-current in motors	If it is over-burden on backrest and calf shelf	Decrease burden on backrest and calf shelf

- If above solutions haven't solved the problems, turn off power, remove plug from power socket and contact to local distributors or manufacturer for repair and maintenance.
